Glen Searle
Brisbane North Institute of TAFE

Glenn Searle is the Manager, Learning Solutions, Innovations Directorate, Brisbane North Institute of TAFE (BNIT). He has headed some major innovative projects such as:

- Your Skills, Your Future (COAG)
- Indigenous eLearning (AFLF)
- eLearning initiatives for operational staff and Leadership (QHealth)

Glenn has over 5 years experience as a manager and part of his mission is to explore educational technology solutions to improve educational outcomes for individuals, industry and the wider community. In 2007 Glenn developed the ePortfolio RPL Implementation model designed to streamline BNIT’s Recognition of Prior Learning processes and in 2008 presented the model to the E-portfolio Reference Group in Adelaide. Recently Glenn’s project team have been liaising with Australian Flexible Learning Framework to trial use of Desire2Learn’s ePortfolio tool.
