Assistant Professor Darren Cambridge
Internet Studies and Information Literacy, New Century College

Darren Cambridge is assistant professor of Internet Studies and Information Literacy at New Century College, which offers integrative studies, first-year experience, and experiential learning programs at George Mason University in Fairfax, Virginia, USA. He is associate director of the Inter/National Coalition for Electronic Portfolio Research, coordinating research teams from forty-four higher education institutions in the United States, Canada, England, Scotland, and the Netherlands. He also leads the IMS Global Learning Consortium's work on ePortfolios and contributes to the development of the Open Source Portfolio and Sakai. With Barbara Cambridge and Kathleen Yancey, he is editor of _Electronic Portfolios 2.0: Emergent Research on Implementation and Impact_, to be published in July 2008 by Stylus.
